You and Your Handicap

Ruth Smith, GHIN Liaison

I am looking forward to working with our AWGA GHIN Clubs and their members during the 08 golfing season. Because all of our AWGA GHIN Clubs are now reportless and are on the electronic option we can look forward to two improvements in the area of GHIN Handicapping.

All of our clubs will now be printing their own Handicap Reports. This means that updated, reports are always available to clubs and their members with a simple stroke of the key. These reports will take up much less of that all-important bulletin board space and are much easier to read. During the busy golfing months of the year (April - September) there will be two

handicap revisions a month, bringing a total of 19 revisions during the year. Our 08 Arkansas GHIN handicap revisions will now arrive on Wednesday of the revision week. All scores that are transmitted by the Tuesday before the Wednesday revision will show up on that Wednesday's revision. This should help to insure all indexes are as current as possible when playing in casual and tournament competition. Be sure to keep your e-mail address updated on <http://www.ghin.com> so that you will receive your index via

e-revision at your e-mail address.

There are some updates to the USGA Handicap System policies that became effective January 1, 2008.

These updates along with the 2008 Golf Association Handicap Revision Schedule can be found on our website at

Your AWGA Delegate needs YOU!

The Arkansas Women's Golf Association (AWGA) continues its mission of serving every club throughout the state of Arkansas. This can only be accomplished through your efforts combined with your club AWGA Delegate. Your AWGA delegate has AWGA membership information and application forms along with information for all 2008 AWGA Tournaments. Your AWGA Delegate is responsible for communicating your club's needs, so communicate with her about rules, course rating, handicap services, etc. Should there be an AWGA Tournament in your area, your help is needed. Contact your delegate and identify your skill area. Your help would be appreciated.

Your AWGA Delegate worked hard in 2007 and was responsible in a large way for contributing to a successful year. Please forward all AWGA questions to your AWGA Delegate. Visit www.awga.us to view and print tournament entry forms. Visit our photo gallery and view your friends having a great time at previous AWGA tournaments.

Should your club not have an AWGA Delegate, please contact Marilyn Garris rgarris@ipa.net or 479-876-6746. We need you. We do have clubs without delegates. In order to make AWGA better for you, we need every club to have an AWGA Delegate. Thanks for supporting AWGA and becoming an active part of AWGA's Delegate Program.

Course Rating/Slope Rating

Lynn Hardin, Course Rating Chair

Thanks to the USGA Handicap system, all golfers can compete on an equal basis. The USGA Course Rating System ensures that golf courses are rated in relation to all other courses. The USGA Slope Rating System adjusts a player's handicap index according to the difficulty of a course.

In 2007, the AWGA completed the rating of all courses at Bella Vista. We also re-rated Rebsamen Golf Course, Russellville Country Club, Springdale Country Club and Forrest City Country Club. We have a number of courses that will be re-rated in 2008. Remember,

the AWGA does not charge for rating your course.

The AWGA had one course rater attend the 2007 USGA calibration seminar in Kansas City. The course rater competed with other rating teams from around the country to determine how well she rated the same course. In this way, team members find out their strengths

and weaknesses when rating. The AWGA must send a course rating team to two calibration seminars between 2008 and 2011 to retain their course rating license.

Springdale Country Club hosted a course rating seminar for AWGA and ASGA raters. Ten members of AWGA attended the seminar. We are fortunate to have six new rating team members from Bella Vista.

If you would like to become a course rater, please contact Lynn Hardin or any of the other members of the AWGA slope rating teams. This information can be found on the AWGA website at

www.awga.us

Are you eligible to play?

Tournament Eligibility

Requirements

Designated tournaments are administered by the host club, however there are eligibility requirements. Players must meet the requirements 1, 2, 4, 5 and 6 listed previously. Any questions regarding eligibility should be addressed to the AWGA Membership Chairman, Tanna Richard at: TLRichard@cox.net or by phone at: (479) 484 8130

Maumelle Designated

Robbie Grady, Maumelle Tournament Chair

Maumelle Country Club is happy to announce it will again host the first Designated Tournament on April 19-20. This tight championship course with its Bermuda fairways, bent grass greens, numerous water hazards and bunkers will offer a challenge for the start of the tournament season. Anyone who ever plays at Maumelle will remember its Par 3 "Signature Hole" #8 that requires a tee shot over an expanse of water to the green that's surrounded by mounds and faced by a rock wall! And some of us have become familiar with the over 50 bunkers on the course. Head Pro Cimarron Grubb has informed us that work will have been completed on the front nine bunker renovation (weather permitting); and all greenside bunkers should be in great shape for the event. (Wonder where he'll tuck the pins on Sunday this year?) In response to requests and suggestions from last year's tournament players, we are pleased to inform the field that this year's entry fee for the Maumelle tournament will also

include food! Players will have the opportunity to eat, drink, and socialize after play on Saturday in the club's Mixed Grill.

A few words regarding tournament entries in general: Surely everyone is aware that the cost of practically everything has risen substantially in the past couple of years. And those rising costs for both the host clubs and our organization will of necessity be reflected by an increase in tournament entry fees. We will strive to keep the increases as low as possible and offer fun tournaments that will still be a bargain at some great courses. Please read all the information provided and complete all the applicable requested data on each tournament's entry form, as it may vary from one tournament to another. There is always a good reason why everything on the form is there. Entry forms along with lodging info for all tournaments will be available online; but if you're internet-challenged (See form on back of newsletter), you'll be mailed what-

ever you need. Come have fun at the tournaments and help support the women's and junior girls' golf programs AWGA provides. Remember, everyone has a chance to win. Looking forward to seeing all our regular tournament players and hopefully some new faces this year too!

Bella Vista Country Club is the oldest course in the village with a classic design. The course renovations were completed in 2005 and now it has had time to mature. The course is serviced by Tanyard Creek driving range with the renovated restaurant

and club house opening this past summer. Tee times for both days are an 8 AM shotgun for everyone, allowing all to play in the cool part of the day and to start and finish at the same time. Lodging may be arranged through Vacation Rentals by calling 1-800-386-4628 or 1-479-855-1111. Should you need further information, please contact Marylin Garris

AWGA Fore States Cup Team

Article by: Tanna Richard

Southern Hills Country Club to host

Fore States- Wertz Cup

Southern Hills Country Club in Tulsa, Oklahoma will be the site of the 15th Annual Fore States- Wertz Cup Matches August 10th-12th. Teams of 10 players each from Arkansas, Kansas, Missouri, and Oklahoma will compete in the Ryder Cup style format which includes foursomes, four ball and singles matches. Oklahoma currently holds the Wertz Cup after narrowly defeating Missouri last year at Hardscrabble Country Club in Fort Smith. Arkansas finished

third followed by Kansas. Martha McAlister has once again been selected as Captain of the Arkansas Team.

This will be the first time that the matches have been held at Southern Hills and the competition among players in each state to win selection as a member of their state's team will be fierce. The players who earn those berths will have the rare opportunity to play four rounds of golf on one of the most historic and prestigious courses in the world. The Arkansas team selection is based on a point system which can be found on the AWGA Web Site: www.awga.us. A player wishing to

compete for a place on the Arkansas Fore States-Wertz Cup Team must be a dues paying member of the Arkansas Women's Golf Association (\$15.00) and must have played in at least one AWGA State Match Play Championship, AWGA State Stroke Play Championship, AWGA State Girls Junior Championship or AWGA Designated Tournament within the last three years. The first eight places on the team will be determined based on total points earned between July 1st of the previous year through June 30th of the current year and the remaining two places are selected by the team Captain.

Tri-States Junior Girls Cup Team

Article by: Norma Hartney, Captain

Arkansas is the host state for the 4th annual Tri-States Girls' Tournament, which will be held June 4th through June 6th at Hot Springs Country Club. This competition features some of the best Junior girls in the states of Arkansas, Louisiana, and Mississippi. The past two years this event has featured girls who were nationally ranked and have gone on to play for major colleges in all three states. The tournament is a Junior version of the Ryder cup. The first day the girls play 36 holes. The first 18 are best ball matches. You have a partner and play against a team from either Louisiana or Mississippi. The second 18 is alternate shot with maybe a different

partner. The last day consists of straight match play, you against a girl from either Louisiana or Mississippi. This year the field of girls who are eligible to play has been expanded to eight. This allows every girl to play every round and also allows two more girls to experience the fun of Tri-States. The top six girls in points for the AWGA Junior Player of the Year will automatically be extended an invitation to play. Captain, Norma Hartney, will have two other choices. Invitations are being extended as you read this article, as the team is not completely set. This tournament will be the most fun you will have playing in a golf tournament in 2008, because you will be playing partners golf with the same

girls you compete against at every tournament and you will be representing your state, which is an honor. We will try to not only host the best Tri-States event ever, but bring the trophy home to Arkansas where it belongs!

The 52nd Annual Junior Girls State Stroke Play Tournament will be held at Hot Springs Country Club on June 5 & 6, with the practice round scheduled for June 4. This tournament is a 5 hole, 9 hole and 18 hole competition designed for girls only, regardless of skill level. If you are a Junior girl golfer in Arkansas, this is the tournament for you. Jennifer Welch, 2007 Junior Player of the Year

Each year, the Arkansas Women's Golf Association honors a young female golfer as their Junior Player of the Year. In 2007, Jennifer Welch was recognized with this honor for her superior golfing achievement throughout the year. If you would like to compete for this award in 2008, visit our website at www.awga.us and take note of the tournaments listed under our 2008 tournament schedule for junior girls. The seven tournaments listed are the events you will need to enter in order to accumulate points for the 2008 AWGA Junior Player of the Year Award. Good Luck!

You can play in the Arkansas Women's Golf Association tournaments, if you are at least 16 years old. If you are younger than 16, you must have an established handicap index of 12.0 or lower. The winner and runner-up of the Junior Girls state tournament are eligible to participate regardless of age and handicap. The AWGA tournament schedule appears on Page 2 of this newsletter. Sign up for one or all of the tournaments and see how much fun they really are. For more information visit our website at www.awga.us

High School Girls' Overall Tournament

The High School Girls Overall Championship sponsored by the AWGA was held at Pleasant Valley Country Club in Little Rock on October 11, 2007. The top three finishers in each state tournament from the six classifications of the Arkansas Activities Association qualified for the Overall.

It was a perfect day for golf and the play was outstanding. After 18 holes of competition, Haley Sanders of Rogers High School and Mary Michael Maggio of Conway High School were tied with a score of 74. The playoff started on the 18th hole and Mary Michael Maggio won with a chip-in for eagle!

The eighteen participants in the 2007 Overall Tournament were Mary Michael Maggio, Haley Sanders, Jennifer Welch, Elizabeth Wells, Hannah Lavy, Taylor Fisher, Brooke Enderlin, Katie Webb, Jennifer Loiacano, Emily Plyer, Uni Kim, Jessica Moix, Kelsey Lum, Kiley Mettler, Alyssia Duval, Mattison Chilton, Rachel Harmon & Courtney Wilson. Four Ball at The Red Apple Inn

Wow, what a way to bring the golf season to a close! You won't want to miss this year's Four Ball event. As in years past, you can count on having a wonderful time at this tournament.

Our Four Ball will be the weekend of September 13 and 14 and we will be returning to The Red Apple Inn and Country Club on scenic Greers Ferry Lake in Heber Springs. With wonderful accommodations, beautiful scenery, a challenging golf course, and friends that know how to have a great time, you are sure to enjoy this year's tournament.

We will continue the tradition of posing a theme for the event that will challenge your creativity. The first tee may be something a little short of serious, but, we guarantee you will have a ton of fun. But, if serious golf

is what you get after, this course provides the challenge. The Red Apple is a championship golf course nestled in the rolling foothills of the Arkansas Ozarks. You will surely understand why Golf

Digest rated this course one of America's 50 most scenic golf courses.

The Four Ball event is a format that many of us don't get a chance to play, but I can say that it's a favorite of many. It's always nice to have a partner when it comes to this challenging format.

A highlight of this event is the year ending awards banquet where we

have the opportunity to celebrate individual and team achievements that occurred throughout the golfing year. The Red Apple's fine dining adds a nice touch to a wonderful evening of recognition. So, grab your partner and get those costumes ready, because we plan to close the
